DEBATE CLUB

Learn how to debate!

Have you ever argued with a friend about whether pineapple belongs on pizza?
Or whether dogs are better than cats?

CONGRATULATIONS!
You have debated.
Debate club is about taking arguments just like those and turning them into a discussion.

It's not supposed to be formal or scary, but rather a place where you can learn to formulate your opinions into strong arguments and have fun.

No experience? Perfect! Debate club is all about building strong skills from the ground up, and I bet I can prove you're better than you think!

Lastly, my name is Madison. A highschooler who is eager to prove debate isn't as scary or serious as it seems.
